ABOUT THE SCHOLARSHIPS & MINI-GRANTS

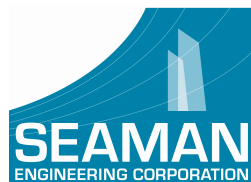

All proceeds from this golf tournament go directly back to the Auburn Public School and Bay Path High School systems through the Auburn Chamber's mini-grant and scholarship program.

Every September the Chamber award a total of \$3,000 in mini-grants to school teachers, and in May award up to \$16,500 in scholarships to graduating seniors. Since 1995, the Chamber has awarded \$320,000. All this is not possible without the support of our business community. We are looking to have your support.

Mission of the Chamber

The Auburn Chamber of Commerce promotes the welfare and advancement of member businesses by serving as an advocate, facilitating networking and collaboration, and providing opportunities for members to promote their businesses and do business with other members. The Chamber also collaborates with the community of Auburn to promote economic well-being and create a desirable place to work and live.

Special Thanks to Our Tournament Sponsors!
